## M.Meenakshi

Aura Interiors is an Interior Designing firm specializing in complete turnkey Fit-Out solutions for Offices, Commercial & Retail spaces and Restaurants.

At Aura, we create designs that come to life. Our mission is to deliver a project that is a true reflection of the client's vision.

Our commitment to detail and budget-saving efficiency is what makes us different.

We continually deliver creative and functional spaces that go beyond our client's needs and expectations.

## S.Yoga Dharshini

Although each project has its own challenges, our processes can adapt quickly so that, together, we can deliver a successful result on time and within budget.

Hyundai Motor India reserves the right to change specifications, colour, equipment and schemes at any time without prior notice

Urban Interiors is a leading name of industry that came into existence in the year 2010 and marked an enviable presence in industry within very short period of time.

Our company's headquarter is located in Gurgaon, Haryana.

We have started business as a sole proprietor and are indulged in manufacturing a comprehensive range of Modular Kitchen, Modular Wardrobe, Kids Wardrobe and Walk In Closet.

## S.Vishalini

Our products are widely acknowledged for their unmatched quality and remarkable characteristics, as we manufacture them incorporating best quality material.

Also, we have adopted advanced techniques, which enable us to cope up with the rising industrial tendencies.

Just like cities, urban interior design is a melting pot of different styles and aesthetics.

When decorating your city home, you have plenty of inspiration to pull from. Whether you're into an edgy and lively feel, or a cozy and eclectic one, urban decor principles can help you achieve the downtown haven of your dreams.
